Are you a Healthcare Professional involved in Gestational Diabetes Care?

Help us improve Gestational Diabetes care for British-Pakistani women!

I'm a doctoral researcher at Warwick Medical School looking into the experiences of British-Pakistani women with Gestational Diabetes to help improve their care and health outcomes.

- Are you a Healthcare Professional or Service Provider involved in Gestational Diabetes care (primary, secondary or community care)?
- Take part in a research interview to help us better understand the care experiences of British-Pakistani women with Gestational Diabetes.

To thank you for your time, you will receive a

£25 Gift Voucher

What is involved?

- One-to-one confidential interview about your experience delivering GDM care.
- Takes up to 1 hour
- Online, telephone or in-person
- Flexible meeting times
